Good Morning Ms. Collier,

I was wondering if I could set aside a few minutes to speak to you about a constituent concern that has landed in our office. [REDACTED] name may ring a bell with some of your staff. [REDACTED] alleges that BOE was involved in voter fraud and that BEGA didn't investigate properly. [REDACTED] now wants to know the process by which BEGA came to the conclusion to not pursue his allegations.

I've attached some of the correspondence to give you some background,

Let me know if you are available, Im happy to chat on the phone or in person!
