Madam Mayor,

I regret to inform you that I am choosing to leave the Board effective today, November 6, 2017, because of the recent publication of my autobiography which discusses many D.C.-related subjects. I am attaching a copy of the press release I will be sending out soon, which explains it all. I am so grateful that you appointed me to such an important position in your administration. I have enjoyed my time there and thank you for the opportunity.

With love and appreciation,

Carol (Schwartz)
