Hi, Vanessa –

This is the email I received from EOM regarding the Notice of the June 29th hearing at OAH. As you can see, I submitted the Notice to the Register on June 21st -- more than a week in advance of the meeting date. But, it was returned to me on June 26th for technical error – that is, the Notice must be submitted in Word form, not pdf, as I had done. I resubmitted the Notice in Word form, but it did not publish in the Register until the publication date for that week – June 30th. However, this same Notice was sent by email to all of OAH on June 22nd. I will forward you that email as well. Thanks.

Louis.

Good afternoon Louis,

I have attached the schedule for the DC Register submission deadlines to this email. The deadline for this week's register (07/07/17) was Wednesday, June 28, 2017. Once the submission deadline passes, the notice is moved to the following week's register (in this case: 07/14/17). When the notice is moved to the following week, it is confirmed and then unconfirmed in order to be processed for publication.

If there is any further confusion about publication of notices, I can answer your questions. For any questions about publishing rulemakings, Angela can answer them.

Respectfully,

Jennifer Campbell

Subject: submission to DC Register

Good afternoon, Angela –

As Jennifer may have mentioned to you from a conversation I had with her this morning, I am having some issues with submissions to the Register. This is a particular problem because some of these submissions are subject to the Open Meetings Act and MUST be published in the Register. I just received a "Notice returned by ODAI" regarding a submission that I made just this morning. Also, I have two submissions from last week regarding Notices of meetings which apparently will not publish until 7/14/2017?

Can you please explain to me again the publication deadlines regarding these notices. I have been doing Register submissions for my agency for a while now and have not run into these issues so consistently as I have of late. If my submissions are beyond the publication deadline, I understand. Otherwise, I will be happy to receive whatever guidance you think would be helpful.
